

24th June 2010 Board meeting

skiptonbidltd@btinternet.com

Directors

- The AGM was held on Tuesday 15th June 2010 and Richard Mashiter and Barry Peters were appointed as directors on to the Skipton BID Board.
- At the June Board meeting, Joan Evans was elected as Chairman and Tony Barrett as Deputy Chairman.
- Director's roles were discussed and Richard Mashiter offered to take on the newly created role of BID Lev Payer liaison.

Skipton in Bloom

- The hanging baskets are now all in place and create a colourful display around the town. It is good to see for the first time baskets on Keighley Road.
- The planting of tubs and containers has been completed in the bus station and these greatly enhance the appearance.

Training

- Look out for more FREE training courses. These are being organised now and more information will be available soon.

Survey by Craven College

- You will have seen students from Craven College out and about on the High Street and in the car parks. They have been asking visitors questions such as; why they have come to Skipton? What form of transport they used to get to Skipton?
The students have presented their findings to the board and the information will be used to aid decisions that need to be made about the best approach when marketing Skipton.

Ongoing projects

- Signs to guide people around the town are still being developed.

Joan Evans
Chairman Skipton BID LTD
