

# 27<sup>th</sup> July 2010 Board meeting

skiptonbidltd@btinternet.com

## **Skipton in Bloom**

- Judging has taken place and we are eagerly awaiting the announcement of the results.

## **Training**

- Training courses have been planned for the coming months and will again be at Tyro Training on Keighley Road. Further details will be sent to you soon.

### **The courses that will be available are:**

- HSE Emergency First Aid at Work in September
- Commissioning and Promoting a Website before Christmas
- Marketing Techniques before Christmas.
- The first aid could be repeated if there is a demand for this course.
- Please be aware that this time courses will be restricted to one delegate per business.

## **Levy Liaison**

- Richard Mashiter from Craven Stationery is out and about the town meeting and welcoming new businesses to the BID area and informing them about the BID.
- If there is anything that that you feel the BID can look into please let Richard know.
- If you know of any new businesses near you please let the office know so that he does not miss anyone.

## **Environment**

- Richard will also be walking around looking for potential projects that the BID can undertake to improve the environment.
- These could be tidying up an area
- Placing signs to direct people to areas of the town.
- If you have any suggestions for improving the environment please contact the office.

## **Ongoing projects**

- Signs to be placed at the car parks are still being developed, and will be ready very soon for discussion with CDC and other interested parties.

## **BID Levy**

- The Board is pleased to see that as of 23<sup>rd</sup> July, 86% of levy payers have paid their invoice for this year.
